

Jon Lang Mediation

Waste Management/Environmental - mediation examples

a claim against planning consultants by a waste management company arising out of refusals of planning consent and associated delay;

an M & A warranty dispute arising out of alleged breaches of environmental (and other) warranties concerning the general binding rules under the Environmental Permitting Regulations (England and Wales) 2016 (the EPR 2016) and the Building Regulations 2000 (amended by SI 2001/3335) relating to sewage/wastewater treatment;

a dispute in the waste management sector raising legislative and regulatory issues around waste duty of care and transfer, including issues arising when waste does not match the description in WTN's, particularly in relation to processed and unprocessed waste;

a dispute arising out of a share purchase agreement in the waste management/energy generation sector primarily concerning measurement of output, post completion, of a processing plant;
